### About the job

#### M2 Advantage

The Firm is a technology and strategy consulting firm whose motto, *Think Differently*, is integrated within all components of our solutions and operations. We integrate artificial intelligence into our consulting practice to streamline operations, enhance decision-making, and deliver measurable results for our clients. Our teams work side by side with AI tools every day to design smarter solutions and uncover efficiencies that traditional methods often miss. As a Platinum Partner with Smartsheet, we help our clients transform, modernize, and digitize their operations while positioning their workforces for the future. We live our four core values: Be Kind, Be the Best You, Bring the WOW factor, and Pay It Forward, which has provided success for our employees and our clients. We don't settle for ordinary; we live, design, and implement the exceptional. We develop leaders at all levels and offer advancement opportunities for individuals looking to develop a long-
